

the interrelations between people, systems, and social forces. This course will also enhance each student's ability to gather, analyze, and interpret data. *Prerequisite: Senior standing or permission.*

Honors Program (HNR)

Assistant Professor Orsag

302-402 Honors Seminar (1) (1)

An investigation of topics not offered in other courses, set at an accelerated pace and selected on the basis of student interest.

Humanities (HUM)

201 Archival Practicum (2)

A work experience in the College Archives to continue collecting, sorting, and listing, as well as work toward the establishment of the official Archival Catalog; collection of oral history; preparation of displays or archival material; answering search requests for patrons; and readings in archival practice and Doane history. *Prerequisite: Permission. (Cross-referenced with Social Science 201.)*

290, 390, 490 Directed Study (1-3) (1-3) (1-3)

An opportunity for supervised, independent study of a particular topic based on the interest of the student and the availability and approval of the faculty.

302-402 Foreign Language Enrichment (1)

A course designed to encourage interdisciplinary study in foreign language. It is taken in conjunction with a second course in some discipline other than the foreign language. The student reads materials relating to the second course, which is selected by the faculty teaching it. The student does, however, read the materials in their original language and under the guidance of a faculty member qualified to teach that language. *Prerequisite: Permission of both faculty involved.*

Information Science and Technology (IST)

Associate Professor Engebretson

Assistant Professor Meysenburg

Numerous career and graduate school opportunities exist for students who have completed a major in the area of information science and technology, whether it be in computer science or information systems. The opportunities available span many industries and disciplines, making a computer science or information systems major quite valuable, whether alone or in combination with majors or minors from other disciplines at Doane.

The information science and technology program at Doane includes experiences both inside and outside the classroom to provide students with a clear
