

BAND E-MAIL AND BULLETIN BOARD INFORMATION

Information regarding band rehearsals, performances, activities and other information will be posted on the bulletin board outside the band room. Dr. Gilbert also sends weekly schedules and information via e-mail. It is your responsibility to check the board and e-mail frequently! If you have a question, first consult e-mail, the bulletin board or this handbook for the answer. If the question is still not resolved, please ask Dr. Gilbert for clarification.
