We have not had a playoff game at Doane since 1993	

At athletic events, our performance responsibility extends beyond the realm of half-time and pre-game entertainment as well. We are a vital force in the spirit and atmosphere of a football game.

Therefore, it is necessary for us to play our best while we are in the stands. Plan to stay in the band area. Do not go to the concession area unless absolutely necessary. Do not “visit” with friends and relatives who will be sitting in other areas of the stadium.

Careful attention to all aspects of our performance will increase pride and spirit. It will also be noticed by the hundreds of people who attend our performances. Remember, our performance begins when we assemble and continues until you are dismissed after the game or after the concert performance.

Dress Code for the Pep Band. The basic uniform for the band will include a band t-shirt and a hooded sweatshirt, plus blue jeans (in excellent condition) and tennis shoes. **You may not wear flip-flops or sandals** as we do march (not a lot but we do march). Baseball caps are allowed, but they should be a Doane College hat. **Please do not wear hats from other colleges, including Nebraska.**

Attendance at all band performances is mandatory! Attendance at all rehearsals is expected. The only excused absence from a rehearsal will be one approved by Mrs. Dalby in advance.
