

**DOANE COLLEGE
LINCOLN CAMPUS**

Advanced Organizational Behavior (BUS 604)

Autumn Term, 2002

Time: 6:00 – 10:30 Wednesday

Instructor: Bryan C. Hayes, Ph.D.

Contact Information:

Phone: 488-1427

Email: bchayes@erols.com

Required Text: Organizational Behavior by S. P. Robbins (2001; Prentice Hall)

Note: Additional readings will be assigned on a weekly basis.

Course Description: In this course we will study behavior and attitudes of individuals and groups within the context of the workplace. Emphasis will be on determinants of behavior with implications for managers and leaders.

Grading: The final course grade will be calculated from the following components:

Class participation	50 points
Course project	50 points
Exams (three)	300 points
Total	400 points

Course Structure: Classroom activities will be a combination of group discussion, lecture, group exercises, and student presentations. Students should come prepared to discuss reading assignments.

NOTE: Schedule is subject to change.
