NAIA Champions of Character: Doane College welcomes all players, officials and spectators to today's contest. As a member of the NAIA and Great Plains Athletic Conference, we are committed to the true spirit of competition by being a "Champion of Character," through the five core character values the NAIA embraces: respect, integrity, responsibility, servant leadership and sportsmanship. We ask each of you as a participant, official or spectator to abide by these values by creating a positive environment in which our athletes may participate, our officials may work and you, the spectator, may enjoy. Please enjoy today's contest.

WELCOME TO DOANE

Welcome to Doane College! We are delighted to have you here for an important element of a Doane education: athletics. Whether it is on the field, court, track, or other arena, our students are engaged in a valuable collegiate experience. Together, they learn the importance of teamwork; individually, they learn how much they can accomplish through commitment, hard work, and focus. We are fortunate at Doane, not only because we have strong athletic programs, but also because we face strong competition in every sport. This benefits everyone. Please join me in cheering them all on!

Jonathan Brand, president

Thank you for your enthusiastic support of the student-athletes at Doane College. The athletic experience at Doane College fits perfectly with the broader mission of Doane to provide an outstanding liberal arts education for all our students. The basic premise of the Doane liberal arts experience is that a broadly educated individual is best prepared to face the many challenges of an ever-changing world. We strive for a value-based athletic experience at Doane where our student-athletes broaden their own experience and education by learning and modeling the important values of a competitive spirit, teamwork, discipline, dedication, and sportsmanship. As we support our teams and athletes, please conduct yourself in a manner consistent with these underlying values promoted through our athletic programs. Go Tigers!

ABOUT DOANE COLLEGE

When Thomas Doane, chief civil engineer of the Burlington and Missouri River Railroad, began building the railroad across Nebraska in the late 1800s, his goal was not only to enhance civilized life for the pioneers, but also to build a liberal arts college on the Nebraska frontier. He and the Congregationalists soon chose the town of Crete, overlooking the Big Blue River, for a college on the plains. The college maintains historical ties with the United Church of Christ.

Thomas Doane's vision of a college in the tradition of Harvard and Yale has become a reality. Fully established in 1872, Doane is Nebraska's first private liberal arts and sciences college.

From the college's formative years under the tutelage of first president David Brainerd Perry to the current 11th president, Jonathan Brand, the college continues its purpose to educate students to serve and lead in the state, the nation and the world.

Today, the college serves more than 3,200 students in bachelor's and master's degree programs in Crete, Lincoln, and Grand Island, Neb., and focuses on providing an exceptional educational experience for all students.

Doane College is one of only two schools in Nebraska to be ranked among the top 25 institutions in the Midwest and as one of the Midwest's "best values" in the 2007 U.S. News & World Report College Guide.

The Crete campus serves approximately 1,000 residential students on 300 scenic acres. Designated a state arboretum, the once treeless landscape now boasts more than 100 varieties of trees, numerous plantings, ponds, and swans.

Doane College focuses on providing a student-centered, innovative environment for students and employees. Forty-plus major fields of study are offered, as well as pre-professional programs. More than 80 co-curricular activities and organizations are also available. From national championship athletic programs to music, theatre, and service clubs, students pursue many varied interests outside the classroom.

Leadership development underscores the students' experience in all aspects of the college. Doane's unique Hansen Leadership Program works with students to help enhance their leadership skills and talents, through speakers and events, alumni

mentors, course offerings, community service, and other activities.

Additional highlights include the four-year graduation guarantee for students...graduate within four years or the college will pay for a fifth year of course work. A travel scholarship for students provides opportunities to travel on college-sponsored trips in the U.S. or abroad. Doane College was the first institution in the nation to initiate a warranty for its education graduates to hiring school districts, and guarantees teacher education graduates a position.

Doane College also offers three graduate degree programs, including the Master of Arts in Management (MAM), Master of Arts in Counseling (MAC), and Master of Education (MED) in Curriculum and Instruction or Educational Leadership.

ACADEMIC SUPPORT CENTER

The transition from high school to college level academics is a dramatic one, but it need not be traumatic if students make use of the resources Doane College provides through the Academic Support Center (ASC).

In contrast to many students' high school course experiences, most college level courses demand a whole new study and exam preparation strategy. Most college professors fully expect that students will complete the assigned textbook readings and come to class prepared to ask questions and engage in discussion generated by the reading assignment. Professors' lectures complement and supplement the required reading assignment, but they are not intended to substitute for required readings.

Likewise, students must attend lectures and labs if they are to gain the full benefit of their educational opportunity. Completing the assigned readings, attending lectures and labs, being able to record accurate reading/lecture notes and reviewing their notes regularly in preparation for exams and finals are all critical to any student's academic success.

Doane's Academic Support Center (ASC) provides academic assistance, training and intervention to students who wish to improve their academic performance. The ASC consists of two separate programs: The Doane Learning Center (DLC) and Doane Student Support Services (DSS). Both programs are housed in the Student Services area on the lower level of Perry Campus Center.

The Doane Learning Center is a walk-in center for students wanting to raise their grades or improve their study skills. The program provides academic counseling, peer tutoring, and writing assistance.

Doane Student Support Services (DSS) is a TRIO program, federally funded through the United States Department of Education. It assists eligible students in reaching their academic and personal goals through a variety of activities. Notification of eligibility is sent to new students in the first few weeks of the fall and spring terms and is dependent on American citizenship AND family income level, (or) student disability status or both custodial parents/guardians having less than a four-year degree.

DOANE FACILITIES

The Doane College athletic facilities continue to change and improve each year.

Simon Field was constructed in 1929 following a generous gift from G. Eli Simon, a Cambridge, Nebraska, attorney and father of a graduating senior. Simon Field is located on the north side of the campus and is home to the football and soccer teams. Lauritsen Track surrounds the field and is home to the track & field teams.

Field turf was installed in 2000. As part of the renovation, a new outdoor, polyurethane track was also installed. Both the field and track are used by the Crete community and Crete High School. The press box was wired with Internet capabilities in the summer of 2004.

Located on the eastern end of campus, **The Den** is the alternate home to Doane soccer. The first home of Doane Soccer, The Den is a grass surface used mostly for practices.

Located on the northeast end of the Doane campus, **Fuhrer Field House** is home to Tiger volleyball, men's & women's basketball, and indoor track & field. The Field House is also used for early season practices for baseball, softball, and tennis. Fuhrer Field House underwent a major renovation starting in the winter of 2001. Changes of notice are new bleachers that allow for 1,900 fans, including portable bleachers that sit in the end zones of the court to bring the fans closer, a movement of the court floor closer to the main bleachers, a new mondo track surface, new lights, wiring, and speakers, and wall pictures hung to display each Tiger sport. The renovation of the athletic training room is the most recent improvement to the facility.

The **Jose M. & Elizabeth Ledon Softball and Baseball Complex** opened in March 2007. The complex is located on the east end of campus and is home to Tiger baseball and softball. The facility includes batting cages, a two-story press box and concession stand.

DOANE SUPPORT STAFF

Athletic Director

Greg Heier took over as Athletic Director in May 2006. Heier played four years at Doane on the men's basketball team guided by NAIA Hall-of-Fame coach Bob Erickson beginning with the 1981-82 season and ending with the 1984-85 season. Heier earned his B.S. degree in Political Science in 1985 and a J.D. degree from the University of Nebraska-Lincoln in 1988. Heier also served as an assistant basketball coach for the Tigers from 1998-2002. During

that time, Heier helped coach the last men's basketball team to have won a post-season conference championship and earn a spot in the NAIA Division II National Championship Tournament. Prior to serving as Athletic Director, Heier practiced law from 1988 until 1998 and worked in human resources and risk management for Doane from 1998 until 2006. He has been a life long fan of Doane Tiger Athletics!

Athletic Trainers

Stefanie Kindt became the Tigers' Head Athletic Trainer in 1997. She is a 1991 graduate of North Dakota State University, Fargo, with a Bachelor of Science degree in Athletic Training. She has a Master's degree from the University of Florida, Gainesville, in Exercise and Sports Sciences. Kindt is a Certified Athletic Trainer through the National Athletic Trainers' Association and a Certified Strength and

Conditioning Specialist (CSCS) through the National Strength and Conditioning Association (NSCA). She is also an assistant professor in the Physical Education Department.

Brad Jenny joined the Tiger athletic training staff in 1999 as assistant Athletic Trainer. He is a 1993 graduate of Doane College with a Bachelor of Science degree in Physical Education with an Athletic Training emphasis. He has a Master's degree in HPER (health, physical education and recreation) from Northern State University in Aberdeen, S.D., where he served as a graduate assistant Athletic Trainer for one year. Brad is

certified through the National Athletic Trainers' Association and also holds a CSCS through the NSCA.

DOANE MEDIA INFORMATION

The Doane College Sports Information Office is always interested in helping members of the media in their coverage of Tiger Athletics. Athlete features and interviews, credential request, photographs and statistics are available through the sports information office.

Rick Schmuecker joined the Tiger team in August 2001 as Assistant Sports Information Director, following four years as a student at Midland Lutheran College. In May 2006, he was named head of the Sports Information Department by Athletic Director Greg Heier.

At Doane, Rick is seen at all home athletic events, usually in the designated media areas, either keep stats, broadcasting or both. He has received publication honors by the NAIA-SIDA in football and soccer as well as with the Doane athletic Web site. In June 2008, he received 2nd Place honors for the women's soccer media guide, the highest honor received by himself or Doane through the NAIA-SIDA contests. In 2009, he received 2nd Place in CoSIDA's Special Events publication for the volleyball post-season game program.

However, the work that is done could not be completely accomplished without several student workers who also help out with game days and office work. These students are responsible for helping with statistics, running game clocks and setup for games. Their time and commitment is greatly appreciated.

Students working for the sports information office in 2009-10 are: Betsy Anderjaska, Mindy Dymacek, Stephanie Gade, Calicia Hergott, Kayla Hochstein, Brittany Lurz, Jamie Jensen, Morgan Dubas, Jennifer Liddell, Lisa Lord, Megan Meduna, Cassie Reicks and Kayleen Stanek.

Cody Vance took over as Assistant Athletic Director for Outreach in August 2009. Cody is a Doane graduate and has been involved in Doane athletics for more than 30 years. He serves as the public address announcer for football and women's basketball while continuing his support of all of the athletic programs in any way he can. His duties with the athletic department reach from game day management to community outreach and involvement.

He also serves as Doane's coordinator of Champions of Character through the NAIA.

ABOUT THE GPAC

The Great Plains Athletic Conference (GPAC) is an affiliated conference of the National Association of Intercollegiate Athletics (NAIA), consisting of 13 private, faith-based colleges and universities in Nebraska, Iowa and South Dakota.

Originally founded in 1969 as the Nebraska Intercollegiate Athletic Conference (NIAC), the league retains all six of its charter members - Concordia, Dana, Doane, Hastings, Midland Lutheran and Nebraska Wesleyan. In 1992, the NIAC added Northwestern and became the Nebraska-Iowa Athletic Conference. Eight years later, Dakota Wesleyan, Dordt, Mount Marty and Sioux Falls joined the conference which became the Great Plains Athletic Conference (GPAC) in 2000-2001. Briar Cliff entered the league in 2002-2003 and Morningside became the 13th member a year later. Both schools are in Sioux City, Iowa.

Beginning with the 2005-2006 school year, the GPAC started awarding the Christopherson All-Academic Award. The award is a traveling trophy to be presented annually to the GPAC institution with the best academic performance by its student-athletes in all sports. The GPAC has also boasted more than 400 scholar-athletes each of the last two years.

The GPAC has 15 NAIA National Champions...

In 2000-2001 the Northwestern women and men won NAIA Division II National Basketball Championships, while the Doane women shared the outdoor NAIA Track and Field title. 2001-2002 brought two NAIA titles to our league. The Hastings women won the NAIA Division II National Basketball title, while Doane's women won the NAIA Outdoor Track and Field Championship outright. In 2002-2003 the GPAC won two more National Championships with the Hastings women repeating as NAIA Division II National Basketball Champions, and the Northwestern men winning the NAIA Division II crown for the second time in three years. The Morningside women's basketball teams won the 2004 and 2005 titles in front of the hometown Sioux City fans at the Tyson Events Center. In 2006 the Hastings women's basketball team won their third basketball title in five years. The GPAC won six straight NAIA Division II Women's Basketball National Championships from 2001 to 2006. Also, in 2006 Dana College claimed the NAIA National Wrestling Championship, while the Nebraska Wesleyan's men's golf team won the NCAA III National Title. In the fall of 2006 when Sioux Falls won the Football National Championship in Savannah, Tennessee. The Northwestern women's basketball team capped a 35-2 season in winning the 2008 NAIA Division II National Championship. The University of Sioux Falls won their second NAIA Football Title in three years by claiming the 2008 National Championship in Rome, Georgia, on December 20. In March of 2009 the Morningside Women's Basketball team capped a perfect 38-0 season by claiming the NAIA Division II Women's Basketball Championship. The title game was an All-GPAC matchup as Hastings claimed Runner-Up honors. The GPAC has now won eight of the last nine NAIA Division II Women's Basketball Championships!

Corey Westra of Sioux City, Iowa, is the GPAC Commissioner and Information Director.

ABOUT THE NAIA

The **National Association of Intercollegiate Athletics (NAIA)** is a governing body for athletic programs at its nearly 300 colleges and universities throughout the United States and Canada. The long-held mission of the NAIA is to promote the education and development of students through intercollegiate athletics participation.

Founded in 1937, the NAIA is a leader in the development of student-athletes and continues to be a pioneer in implementing exceptional standards for academics, diversity and character. Those standards are evident not only on the campuses of our member institutions, but in the competitive fields of our 23 national championships.

Today, the NAIA strengthens its commitment to student-athletes and strives to enrich their college experience by supporting academic achievement and character development. NAIA Champions of Character is an innovative outreach program designed to instill character values in student-athletes, coaches and youth in the communities we serve.

ABOUT THE NAIA STUDENTS

A supportive environment can lead to success

When you choose to attend one of nearly 300 NAIA member colleges or universities throughout the United States and Canada, you are welcomed into a supportive environment of students and faculty that are likely to become lifelong friends. Small classes and closer student-faculty interaction make it easy to form strong friendships with classmates and faculty, which could have a great impact on your success and career preparation.

Big opportunities are on smaller campuses

With smaller campus communities, there are more opportunities for students to participate in activities. There are greater possibilities for students to experience leadership roles in student organizations, academics and intramural and intercollegiate athletics. The NAIA offers 23 championships in 13 sports and more than 90 percent of NAIA schools offer athletic scholarships.

You'll enjoy life outside the classroom with the variety of activities, athletic events and religious services found at NAIA schools. Learn more about the advantages of attending an NAIA member institution.

2009 SEASON

31 - MICHAEL VARGAS

PRESEASON OUTLOOK

After posting their second straight four win season, the Tiger football team will look to move forward with plenty of experience returning this season. The Tigers will bring back eight starters on the offensive side of the ball and six starters on defense as Head Coach Matt Franzen returns for his third season at the helm.

At the annual Great Plains Athletic Conference (GPAC) football press conference, the Tigers were picked by the coaches as the eighth best team entering 2009. Defending NAIA National Champion, the University of Sioux Falls, was the overwhelming favorite as they collected every first place vote possible (a coach can not vote for themselves). Morningside was picked second and Dakota Wesleyan was third.

The NAIA preseason poll was released and Sioux Falls will enter the season where they finished last year, No. 1. Morningside will start the season ranked fifth while Dakota Wesleyan was 19th and Northwestern was 23rd. Interestingly, the Red Raiders were picked to finish sixth in the GPAC but were nationally ranked ahead of Nebraska Wesleyan and Hastings.

Offense Needs to Step Up

With eight returning starters, Coach Franzen is hoping his team has matured and is ready to take huge strides forward. The offensive line returns four starters from last year with a few others who saw valuable playing time in the trenches. They are led by First Team All-GPAC performer **Jake Ryba** (Grand Island). Ryba is one of two seniors on the offensive side of the ball. Joining Ryba as returning starters are **Cole Weihe** (Lincoln), **Keymo Harden** (Denver, Colo.) and **Jake Conley** (Omaha).

At the skill positions, running back is a wide open race with several players with experience returning. **Jaremy Puthoff** (Escalon, Calif.) was the leading rusher for the Tigers last year, collecting 370 yards. The only other senior on the team is **Michael Vargas** (El Paso, Tex.). He finished as the starting fullback last year and returns after posting 189 yards, third on the team. **Tim Reed** (Syracuse) returns and could battle for either back position after posting a team best 4.5 yards per carry before injury set in last year.

PRESEASON OUTLOOK

The receiver position will feature **Blake Erickson** (Campbell), **Eamonn Feeney** (Maxwell), **Jeremiah Saffold** (Papillion) and **Landon Freitag** (Byron) among others. Erickson is the top returner in yards and receptions. **Devon Niewohner** (Bancroft) was the starting tight end and was fourth on the team in receptions last season.

At quarterback, the Tigers returner 1,000-yard passer **Anthony Dunn** (Papillion). A two-sport athlete at Doane, Dunn picked up the starting nod midway through the 2008 campaign and completed 57-percent of his pass attempts. He will look to improve on this touchdown to interception ratio that finished at 5-to-12 last year.

Youthful Defense Looks to Fill Holes

With only six returners back for the Tiger defense and no seniors on this side of the ball, several players will be looking to make an impact early for the squad.

The strength of the “D” will likely be the secondary where three of the four starters return. **Jacob Wit** (Chester) and **Josh Milz** (Papillion) return at the corner positions with **Zach Brenner** (Valparaiso) back at safety. Milz and Brenner collected two of the five interceptions that the secondary picked off last year. Wit is the top returner in pass breakups in the secondary. There is also depth at this position which will hopefully help against some of the pass oriented teams in the conference.

The front seven has the most holes to fill, especially the defensive line. **Selau Sunia** (Denver, Colo.) is the only returning starter up front but is a good one to build around. He was second on the team in sacks and third in tackles for loss last year.

At linebacker, **Ryan Gruntorad** (Lexington) is the top returner after finishing fourth on the team in tackles a year ago. He also led the team in pass breakups and quarterback hurries. **Steven Wardlaw** (Beatrice) worked his way into the starting lineup late in the year. Several sophomores also return to compete for playing time after serving as back-ups last year.

^-Indicates First Down Classic hosted by College Fanz Sports Network

In Fall 2007, the Tiger Sports Network was launched with the intent to bring more broadcasts to the Doane family. Doane joined with Stretch Internet to bring forth the best broadcasts available. You can find the schedule of broadcasts on the Doane College Athletics web site. In December 2008, live video streaming was introduced through Ustream.tv.

2008 REVIEW

93 - SELAU SUNIA

SEASON RECAP

A youthful Tiger football team continued to take big strides in 2008 and finished with a 4-7 record overall. Though the win total was the same as the previous year, Doane was a more competitive team in games in 2008.

The season opened in Platte City, Mo., in the First Down Classic as Doane came from behind for a 15-12 victory over William Jewell College. The Tigers were held scoreless until the fourth quarter. They took their first lead of the game with 1:43 remaining but saw the Cardinals strike on one play for 77 yards and a touchdown. Doane blocked the point after try to keep the game tied at 12-12. The Tigers kicked a field goal as time expired for the victory.

To open conference play, the Tiger fell at Hastings 17-7. The following week in the home opener, Doane defeated Concordia 29-13 as the Tiger defense collected an interception for a touchdown and a safety.

Doane saw a 13 point lead slip away in the fourth quarter as Midland Lutheran rallied for a 27-26 win in Fremont. The Tigers dropped their meeting with Sloux Falls two weeks later, 37-7. In the battle of the Tigers, Dakota Wesleyan won 14-7 in Mitchell, S.D. Northwestern came to Crete and halted the Tigers, 43-9.

Doane got back on the winning track with a 43-0 win over Dordt College. The Tigers had three scores of 47 yards or longer. Morningside pulled away from the Tigers late in a 49-27 game. Nebraska Wesleyan shutout Doane 23-0 in Lincoln. Doane closed out the season with a 33-16 win over Dana.

An individual highlight to the season was the play of All-American performer Seth Styskal. Styskal finished the season with 11.5 sacks, a school record. He collected 3.5 sacks on senior day in final game of the year against Dana.

Joining Styskal on the First Team All-GPAC list was Jake Ryba. Josh Warren was named to the Second Team list while eight players were named honorable mention. They were Selau Sunia, Pat Spangler, Ben Kosse, Hondo Fanning, Ryan Gruntorad, Dustin Groteluschen, Jamaal Chinn and Jake Wit.

Antony Ritton was named an NAIA Scholar-Athlete for the Tigers.

HISTORY

FOOTBALL HISTORY

The Doane College football program got its start in 1891 when they hosted the University of Nebraska-Lincoln in Crete. Doane lost the game 18-0. The Tigers first win came against the University of Nebraska-Lincoln, 28-4. The first winning season in the college's history was in 1894 when the team went 5-2. Football at Doane took a tragic hit in 1896 with the death of Bert Serf during a game against the University of Kansas. It wasn't until 1899 that football was reinstated at Doane. The only other time football was not played at the college was in from 1917-18 due to World War I.

Doane found success from 1925-30 under the direction of Ward Haylett and Roy Pierce. During those five years, the Tigers compiled a record of 26-9.

However, the greatest success in Doane football history occurred from 1966-69 when the Tigers went 33-0-2. Doane's success was not rewarded as they only received one invitation for post-season play. In 1968, the Tigers played Central Missouri State in the Mineral Water Bowl. Doane came away victorious, 10-0. Their undefeated streak received national recognition by Sports Illustrated, which did a two-page story on the program in the issue printed for October 13, 1969.

The first playoff appearance in Doane history came in 1972. Doane went 10-0 during the regular season and faced off against Missouri Southern University in the semifinals of the NAIA Playoffs. MSU defeated the Tigers 24-6.

From 1973-92, Doane posted a .543 winning percentage. They posted seven wins twice during that time. In 1993, the Tigers went 9-0 during the regular season and advanced to the NAIA Playoffs for the first time since 1972. Doane picked up their first playoff victory by defeating Bethany College 17-10. Baker University ended the season for Doane in the next round with a 28-21 win.

In 1997, Doane returned to the playoffs, this time poised for a championship run. The Tigers ran through Southwest Kansas University and Evangel University in the first two rounds of the playoffs. The Tigers traveled to Findlay, Ohio, for a semifinal battle with Findlay College. Findlay knocked Doane off 26-25 and advanced to the championship.

Despite suffering two conference losses in 1999, Doane was selected for the playoffs and faced off against Azusa Pacific University. APU defeated Doane in the first round, 31-12.

Fran Schwenk led Doane to the three playoff appearances during the 1990s. He is the winningest coach in Tiger history with a 114-87-3 record. Al Papik, coach of the Tigers from 1955-71, went 80-52-9 during his tenure.
