**NAIA Champions of Character:** Doane College welcomes all players, officials and spectators to today's contest. As a member of the NAIA and Great Plains Athletic Conference, we are committed to the true spirit of competition by being a "Champion of Character," through the five core character values the NAIA embraces: respect, integrity, responsibility, servant leadership and sportsmanship. We ask each of you as a participant, official or spectator to abide by these values by creating a positive environment in which our athletes may participate, our officials may work and you, the spectator, may enjoy. Please enjoy today's contest.

## WELCOME TO DOANE

Welcome to Doane College! We are delighted to have you here for an important element of a Doane education: athletics. Whether it is on the field, court, track, or other arena, our students are engaged in a valuable collegiate experience. Together, they learn the importance of teamwork; individually, they learn how much they can accomplish through commitment, hard work, and focus. We are fortunate at Doane, not only because we have strong athletic programs, but also because we face strong competition in every sport. This benefits everyone. Please join me in cheering them all on!

Jonathan Brand, president

Thank you for your enthusiastic support of the student-athletes at Doane College. The athletic experience at Doane College fits perfectly with the broader mission of Doane to provide an outstanding liberal arts education for all our students. The basic premise of the Doane liberal arts experience is that a broadly educated individual is best prepared to face the many challenges of an ever-changing world. We strive for a value-based athletic experience at Doane where our student-athletes broaden their own experience and education by learning and modeling the important values of a competitive spirit, teamwork, discipline, dedication, and sportsmanship. As we support our teams and athletes, please conduct yourself in a manner consistent with these underlying values promoted through our athletic programs. Go Tigers!

# ABOUT DOANE COLLEGE

When Thomas Doane, chief civil engineer of the Burlington and Missouri River Railroad, began building the railroad across Nebraska in the late 1800s, his goal was not only to enhance civilized life for the pioneers, but also to build a liberal arts college on the Nebraska frontier. He and the Congregationalists soon chose the town of Crete, overlooking the Big Blue River, for a college on the plains. The college maintains historical ties with the United Church of Christ.

Thomas Doane's vision of a college in the tradition of Harvard and Yale has become a reality. Fully established in 1872, Doane is Nebraska's first private liberal arts and sciences college.

From the college's formative years under the tutelage of first president David Brainerd Perry to the current 11th president, Jonathan Brand, the college continues its purpose to educate students to serve and lead in the state, the nation and the world.

Today, the college serves more than 3,200 students in bachelor's and master's degree programs in Crete, Lincoln, and Grand Island, Neb., and focuses on providing an exceptional educational experience for all students.

Doane College is one of only two schools in Nebraska to be ranked among the top 25 institutions in the Midwest and as one of the Midwest's "best values" in the 2007 U.S. News & World Report College Guide.

The Crete campus serves approximately 1,000 residential students on 300 scenic acres. Designated a state arboretum, the once treeless landscape now boasts more than 100 varieties of trees, numerous plantings, ponds, and swans.

Doane College focuses on providing a student-centered, innovative environment for students and employees. Forty-plus major fields of study are offered, as well as pre-professional programs. More than 80 co-curricular activities and organizations are also available. From national championship athletic programs to music, theatre, and service clubs, students pursue many varied interests outside the classroom.

Leadership development underscores the students' experience in all aspects of the college. Doane's unique Hansen Leadership Program works with students to help enhance their leadership skills and talents, through speakers and events, alumni

mentors, course offerings, community service, and other activities.

Additional highlights include the four-year graduation guarantee for students...graduate within four years or the college will pay for a fifth year of course work. A travel scholarship for students provides opportunities to travel on college-sponsored trips in the U.S. or abroad. Doane College was the first institution in the nation to initiate a warranty for its education graduates to hiring school districts, and guarantees teacher education graduates a position.

Doane College also offers three graduate degree programs, including the Master of Arts in Management (MAM), Master of Arts in Counseling (MAC), and Master of Education (MED) in Curriculum and Instruction or Educational Leadership.

## ACADEMIC SUPPORT CENTER

The transition from high school to college level academics is a dramatic one, but it need not be traumatic if students make use of the resources Doane College provides through the Academic Support Center (ASC).

In contrast to many students' high school course experiences, most college level courses demand a whole new study and exam preparation strategy. Most college professors fully expect that students will complete the assigned textbook readings and come to class prepared to ask questions and engage in discussion generated by the reading assignment. Professors' lectures complement and supplement the required reading assignment, but they are not intended to substitute for required readings.

Likewise, students must attend lectures and labs if they are to gain the full benefit of their educational opportunity. Completing the assigned readings, attending lectures and labs, being able to record accurate reading/lecture notes and reviewing their notes regularly in preparation for exams and finals are all critical to any student's academic success.

Doane's Academic Support Center (ASC) provides academic assistance, training and intervention to students who wish to improve their academic performance. The ASC consists of two separate programs: The Doane Learning Center (DLC) and Doane Student Support Services (DSS). Both programs are housed in the Student Services area on the lower level of Perry Campus Center.

The Doane Learning Center is a walk-in center for students wanting to raise their grades or improve their study skills. The program provides academic counseling, peer tutoring, and writing assistance.

Doane Student Support Services (DSS) is a TRIO program, federally funded through the United States Department of Education. It assists eligible students in reaching their academic and personal goals through a variety of activities. Notification of eligibility is sent to new students in the first few weeks of the fall and spring terms and is dependent on American citizenship AND family income level, (or) student disability status or both custodial parents/guardians having less than a four-year degree.

## DOANE FACILITIES

The Doane College athletic facilities continue to change and improve each year.

Scheduled to open in Fall 2010 is the **George & Sally Haddix Recreation and Athletic Center** which will be the new home of Tiger volleyball and basketball. It will be located between The Den, Ledon Complex and Fuhrer Field House. On the north side of the new complex will be six lighted tennis courts for the Tiger tennis program. The Tigers currently utilize four facilities in Crete for matches and practices as well as the tennis centers in Lincoln.

The **Crete High School Tennis Courts** are located just blocks from the Doane College campus. There are four courts in which the Tigers use for matches during the year.

The **Butler Tennis Courts** are located in the center of campus and the **City of Crete Tennis Courts** are located to the west of campus. Doane currently uses both of these facilities for practices as well as **Fuhrer Field House** for indoor practices.

Located on the northeast end of the Doane campus, **Fuhrer Field House** is home to Tiger volleyball, men's & women's basketball, and indoor track & field. The Field House is also used for early season practices for baseball, softball, and tennis. Fuhrer Field House underwent a major renovation starting in the winter of 2001.

Another renovation is scheduled following the completion of the Haddix RAC, with improvements made for track, tennis, baseball and softball usage.

**Simon Field** was constructed in 1929 following a generous gift from G. Eli Simon, a Cambridge, Nebraska, attorney and father of a graduating senior. Simon Field is located on the north side of the campus and is home to the football and soccer teams. Lauritsen Track surrounds the field and is home to the track & field teams.

Located on the eastern end of campus, **The Den** is the alternate home to Doane soccer. The first home of Doane Soccer, The Den is a grass surface used mostly for practices.

The **Jose M. & Elizabeth Ledon Softball and Baseball Complex** opened in March 2007. The complex is located on the east end of campus and is home to Tiger baseball and softball. The facility includes batting cages, a two-story press box and concession stand.

## Athletic Director

**Greg Heier** took over as Athletic Director in May 2006. Heier played four years at Doane on the men's basketball team guided by NAIA Hall-of-Fame coach Bob Erickson beginning with the 1981-82 season and ending with the 1984-85 season. Heier earned his B.S. degree in Political Science in 1985 and a J.D. degree from the University of Nebraska-Lincoln in 1988. Heier also served as an assistant basketball coach for the Tigers from 1998-2002. During that time, Heier helped coach the last men's basketball team to have won a post-season conference championship and earn a spot in the NAIA Division II National Championship Tournament. Prior to serving as Athletic Director, Heier practiced law from 1988 until 1998 and worked in human resources and risk management for Doane from 1998 until 2006. He has been a life long fan of Doane Tiger Athletics!

## Athletic Trainers

**Stefanie Kindt** became the Tigers' Head Athletic Trainer in 1997. She is a 1991 graduate of North Dakota State University, Fargo, with a Bachelor of Science degree in Athletic Training. She has a Master's degree from the University of Florida, Gainesville, in Exercise and Sports Sciences. He is a 1993 graduate of Doane College with a Bachelor of Science degree in Physical Education with an Athletic Training emphasis. He has a Master's degree in HPER (health, physical education and recreation) from Northern State University in Aberdeen, S.D., where he served as a graduate assistant Athletic Trainer for one year. Brad is

## DOANE MEDIA INFORMATION

The Doane College Sports Information Office is always interested in helping members of the media in their coverage of Tiger Athletics. Athlete features and interviews, credential request, photographs and statistics are available through the sports information office.

Rick Schmuecker joined the Tiger team in August 2001 as Assistant Sports Information Director, following four years as a student at Midland Lutheran College. In May 2006, he was named head of the Sports Information Department by Athletic Director Greg Heier.

At Doane, Rick is seen at all home athletic events, usually in the designated media areas, either keep stats, broadcasting or both. He has received publication honors by the NAIA-SIDA in football and soccer as well as with the Doane athletic Web site. In June 2008, he received 2nd Place honors for the women's soccer media guide, the highest honor received by himself or Doane through the NAIA-SIDA contests. In 2009, he received 2nd Place in CoSIDA's Special Events publication for the volleyball post-season game program.

However, the work that is done could not be completely accomplished without several student workers who also help out with game days and office work. These students are responsible for helping with statistics, running game clocks and setup for games. Their time and commitment is greatly appreciated.

Students working for the sports information office in 2009-10 are: Betsy Anderjaska, Mindy Dymacek, Stephanie Gade, Calicia Hergott, Kayla Hochstein, Brittany Lurz, Brittany Luettel, Jamie Jensen, Morgan Dubas, Jennifer Liddell, Lisa Lord, Megan Meduna, Cassie Reicks and Kayleen Stanek.

## ABOUT THE GPAC

The Great Plains Athletic Conference (GPAC) is an affiliated conference of the National Association of Intercollegiate Athletics (NAIA), consisting of 13 private, faith-based colleges and universities in Nebraska, Iowa and South Dakota.

Originally founded in 1969 as the Nebraska Intercollegiate Athletic Conference (NIAC), the league retains all six of its charter members - Concordia, Dana, Doane, Hastings, Midland Lutheran and Nebraska Wesleyan. In 1992, the NIAC added Northwestern and became the Nebraska-Iowa Athletic Conference. Eight years later, Dakota Wesleyan, Dordt, Mount Marty and Sioux Falls joined the conference which became the Great Plains Athletic Conference (GPAC) in 2000-2001. Briar Cliff entered the league in 2002-2003 and Morningside became the 13th member a year later. Both schools are in Sioux City, Iowa.

Beginning with the 2005-2006 school year, the GPAC started awarding the Christopherson All-Academic Award. The award is a traveling trophy to be presented annually to the GPAC institution with the best academic performance by its student-athletes in all sports. The GPAC has also boasted more than 400 scholar-athletes each of the last two years.

### **The GPAC has 16 NAIA National Champions...**

In 2000-2001 the Northwestern women and men won NAIA Division II National Basketball Championships, while the Doane women shared the outdoor NAIA Track and Field title. 2001-2002 brought two NAIA titles to our league. The Hastings women won the NAIA Division II National Basketball title, while Doane's women won the NAIA Outdoor Track and Field Championship outright. In 2002-2003 the GPAC won two more National Championships with the Hastings women repeating as NAIA Division II National Basketball Champions, and the Northwestern men winning the NAIA Division II crown for the second time in three years. The Morningside women's basketball teams won the 2004 and 2005 titles in front of the hometown Sioux City fans at the Tyson Events Center. In 2006 the Hastings women's basketball team won their third basketball title in five years. The GPAC won six straight NAIA Division II Women's Basketball National Championships from 2001 to 2006. Also, in 2006 Dana College claimed the NAIA National Wrestling Championship, while the Nebraska Wesleyan's men's golf team won the NCAA III National Title. In the fall of 2006 when Sioux Falls won the Football National Championship in Savannah, Tennessee. The Northwestern women's basketball team capped a 35-2 season in winning the 2008 NAIA Division II National Championship. The University of Sioux Falls won their second NAIA Football Title by claiming the 2008 National Championship. In March of 2009 the Morningside Women's Basketball team capped a perfect 38-0 season by claiming the NAIA Division II Women's Basketball Championship. The title game was an All-GPAC matchup as Hastings claimed Runner-Up honors. The GPAC has now won eight of the last nine NAIA Division II Women's Basketball Championships! ## **2010 PRESEASON OUTLOOK**

### Men's Outlook

The 2010 Tigers will have a mix of veterans and new recruits to comprise the roster for Head Coach Pete Fiumefreddo. Eight players will make up the team with five players having college experience.

Leading the way for the Tigers will be two-time First Team All-GPAC selection Josh Siske. Siske has played No. 1 singles his first three years but will move to No. 2 singles in favor of freshman Ross Schulenberg. The two will team up at No. 1 doubles.

Josh Johnson returns for his second season and will start the year at No. 3 singles. Anthony Bieck, a fellow sophomore, will enter the season at No. 5 singles. After a year away, junior Jake Zlatkovsky returns and will fill the No. 4 singles spot.

Junior Tanner Vitko and freshman Aaron Haag will battle and share time at No. 6 singles while freshman Matt Shadoin will see action as a junior varsity player in his first year of competitive tennis.

### Women's Outlook

The 2010 Tigers will be young and inexperienced this season but should show improvement as the season continues on. Head Coach Barb Kuzma will have seven players on the team but only two returners from last year's squad.

Returning for the Tigers is All-GPAC performer Kendra Bender. Bender is a two-time all-conference selection but will face a tough task as she moves up the tennis ladder to No. 2 singles. Playing No. 1 singles will be Karlee Long. Long transferred in after attending Florida State College, one of the top junior colleges in the United States.

Andy Johnson will move up three spots in the singles ranks, playing No. 3 singles for Doane after playing last year at No. 6. Jailyn Hagaman played in high school along with Johnson and will join the squad this year at No. 4 singles.

Two freshmen will anchor No. 5 & No. 6 singles. Jordan Lintt will play No. 5 and Clara Staudenmaier will be at No. 6 singles. Jayne Wagner will fill in the Tiger line-up when needed. Wagner is a first-year tennis participant after playing four years of soccer for the Tigers.
