NAIA Champions of Character: Doane College welcomes all players, officials and spectators to today's contest. As a member of the NAIA and Great Plains Athletic Conference, we are committed to the true spirit of competition by being a "Champion of Character," through the five core character values the NAIA embraces: respect, integrity, responsibility, servant leadership and sportsmanship. We ask each of you as a participant, official or spectator to abide by these values by creating a positive environment in which our athletes may participate, our officials may work and you, the spectator, may enjoy. Please enjoy today's contest.

WELCOME TO DOANE

Welcome to Doane College! We are delighted to have you here for an important element of a Doane education: athletics. Whether it is on the field, court, track, or other arena, our students are engaged in a valuable collegiate experience. Together, they learn the importance of teamwork; individually, they learn how much they can accomplish through commitment, hard work, and focus. We are fortunate at Doane, not only because we have strong athletic programs, but also because we face strong competition in every sport. This benefits everyone. Please join me in cheering them all on!

Jonathan Brand, president

Thank you for your enthusiastic support of the student-athletes at Doane College. The athletic experience at Doane College fits perfectly with the broader mission of Doane to provide an outstanding liberal arts education for all our students. The basic premise of the Doane liberal arts experience is that a broadly educated individual is best prepared to face the many challenges of an ever-changing world. We strive for a value-based athletic experience at Doane where our student-athletes broaden their own experience and education by learning and modeling the important values of a competitive spirit, teamwork, discipline, dedication, and sportsmanship. As we support our teams and athletes, please conduct yourself in a manner consistent with these underlying values promoted through our athletic programs. Go Tigers!

ABOUT DOANE COLLEGE

When Thomas Doane, chief civil engineer of the Burlington and Missouri River Railroad, began building the railroad across Nebraska in the late 1800s, his goal was not only to enhance civilized life for the pioneers, but also to build a liberal arts college on the Nebraska frontier. He and the Congregationalists soon chose the town of Crete, overlooking the Big Blue River, for a college on the plains. The college maintains historical ties with the United Church of Christ.

Thomas Doane's vision of a college in the tradition of Harvard and Yale has become a reality. Fully established in 1872, Doane is Nebraska's first private liberal arts and sciences college.

From the college's formative years under the tutelage of first president David Brainerd Perry to the current 11th president, Jonathan Brand, the college continues its purpose to educate students to serve and lead in the state, the nation and the world.

Today, the college serves more than 3,200 students in bachelor's and master's degree programs in Crete, Lincoln, and Grand Island, Neb., and focuses on providing an exceptional educational experience for all students.

Doane College is one of only two schools in Nebraska to be ranked among the top 25 institutions in the Midwest and as one of the Midwest's "best values" in the 2007 U.S. News & World Report College Guide.

The Crete campus serves approximately 1,000 residential students on 300 scenic acres. Designated a state arboretum, the once treeless landscape now boasts more than 100 varieties of trees, numerous plantings, ponds, and swans.

Doane College focuses on providing a student-centered, innovative environment for students and employees. Forty-plus major fields of study are offered, as well as pre-professional programs. More than 80 co-curricular activities and organizations are also available. From national championship athletic programs to music, theatre, and service clubs, students pursue many varied interests outside the classroom.

Leadership development underscores the students' experience in all aspects of the college. Doane's unique Hansen Leadership Program works with students to help enhance their leadership skills and talents, through speakers and events, alumni

mentors, course offerings, community service, and other activities.

Additional highlights include the four-year graduation guarantee for students...graduate within four years or the college will pay for a fifth year of course work. A travel scholarship for students provides opportunities to travel on college-sponsored trips in the U.S. or abroad. Doane College was the first institution in the nation to initiate a warranty for its education graduates to hiring school districts, and guarantees teacher education graduates a position.

Doane College also offers three graduate degree programs, including the Master of Arts in Management (MAM), Master of Arts in Counseling (MAC), and Master of Education (MED) in Curriculum and Instruction or Educational Leadership.

ACADEMIC SUPPORT CENTER

The transition from high school to college level academics is a dramatic one, but it need not be traumatic if students make use of the resources Doane College provides through the Academic Support Center (ASC).

In contrast to many students' high school course experiences, most college level courses demand a whole new study and exam preparation strategy. Most college professors fully expect that students will complete the assigned textbook readings and come to class prepared to ask questions and engage in discussion generated by the reading assignment. Professors' lectures complement and supplement the required reading assignment, but they are not intended to substitute for required readings.

Likewise, students must attend lectures and labs if they are to gain the full benefit of their educational opportunity. Completing the assigned readings, attending lectures and labs, being able to record accurate reading/lecture notes and reviewing their notes regularly in preparation for exams and finals are all critical to any student's academic success.

Doane's Academic Support Center (ASC) provides academic assistance, training and intervention to students who wish to improve their academic performance. The ASC consists of two separate programs: The Doane Learning Center (DLC) and Doane Student Support Services (DSS). Both programs are housed in the Student Services area on the lower level of Perry Campus Center.

The Doane Learning Center is a walk-in center for students wanting to raise their grades or improve their study skills. The program provides academic counseling, peer tutoring, and writing assistance.

Doane Student Support Services (DSS) is a TRIO program, federally funded through the United States Department of Education. It assists eligible students in reaching their academic and personal goals through a variety of activities. Notification of eligibility is sent to new students in the first few weeks of the fall and spring terms and is dependent on American citizenship AND family income level, (or) student disability status or both custodial parents/guardians having less than a four-year degree.

DOANE FACILITIES

The Doane College athletic facilities continue to change and improve each year.

Simon Field was constructed in 1929 following a generous gift from G. Eli Simon, a Cambridge, Nebraska, attorney and father of a graduating senior. Simon Field is located on the north side of the campus and is home to the football and soccer teams. Lauritsen Track surrounds the field and is home to the track & field teams.

Field turf was installed in 2000. As part of the renovation, a new outdoor, polyurethane track was also installed. Both the field and track are used by the Crete community and Crete High School. The press box was wired with Internet capabilities in the summer of 2004.

Located on the eastern end of campus, **The Den** is the alternate home to Doane soccer. The first home of Doane Soccer, The Den is a grass surface used mostly for practices.

Located on the northeast end of the Doane campus, **Fuhrer Field House** is home to Tiger volleyball, men's & women's basketball, and indoor track & field. The Field House is also used for early season practices for baseball, softball, and tennis. Fuhrer Field House underwent a major renovation starting in the winter of 2001. Changes of notice are new bleachers that allow for 1,900 fans, including portable bleachers that sit in the end zones of the court to bring the fans closer, a movement of the court floor closer to the main bleachers, a new mondo track surface, new lights, wiring, and speakers, and wall pictures hung to display each Tiger sport. The renovation of the athletic training room is the most recent improvement to the facility.

The **Jose M. & Elizabeth Ledon Softball and Baseball Complex** opened in March 2007. The complex is located on the east end of campus and is home to Tiger baseball and softball. The facility includes batting cages, a two-story press box and concession stand.

Athletic Director

Greg Heier took over as Athletic Director in May 2006. Heier played four years at Doane on the men's basketball team guided by NAIA Hall-of-Fame coach Bob Erickson beginning with the 1981-82 season and ending with the 1984-85 season. Heier earned his B.S. degree in Political Science in 1985 and a J.D. degree from the University of Nebraska-Lincoln in 1988. Heier also served as an assistant basketball coach for the Tigers from 1998-2002. During

that time, Heier helped coach the last men's basketball team to have won a post-season conference championship and earn a spot in the NAIA Division II National Championship Tournament. Prior to serving as Athletic Director, Heier practiced law from 1988 until 1998 and worked in human resources and risk management for Doane from 1998 until 2006. He has been a life long fan of Doane Tiger Athletics!

Athletic Trainers

Stefanie Kindt became the Tigers' Head Athletic Trainer in 1997. She is a 1991 graduate of North Dakota State University, Fargo, with a Bachelor of Science degree in Athletic Training. She has a Master's degree from the University of Florida, Gainesville, in Exercise and Sports Sciences. Kindt is a Certified Athletic Trainer through the National Athletic Trainers' Association and a Certified Strength and

Conditioning Specialist (CSCS) through the National Strength and Conditioning Association (NSCA). She is also an assistant professor in the Physical Education Department.

Brad Jenny joined the Tiger athletic training staff in 1999 as assistant Athletic Trainer. He is a 1993 graduate of Doane College with a Bachelor of Science degree in Physical Education with an Athletic Training emphasis. He has a Master's degree in HPER (health, physical education and recreation) from Northern State University in Aberdeen, S.D., where he served as a graduate assistant Athletic Trainer for one year. Brad is

certified through the National Athletic Trainers' Association and also holds a CSCS through the NSCA.

DOANE MEDIA INFORMATION

The Doane College Sports Information Office is always interested in helping members of the media in their coverage of Tiger Athletics. Athlete features and interviews, credential request, photographs and statistics are available through the sports information office.

Rick Schmuecker joined the Tiger team in August 2001 as Assistant Sports Information Director, following four years as a student at Midland Lutheran College. In May 2006, he was named head of the Sports Information Department by Athletic Director Greg Heier.

At Doane, Rick is seen at all home athletic events, usually in the designated media areas, either keep stats, broadcasting or both. He has received publication honors by the NAIA-SIDA in football and soccer as well as with the Doane athletic Web site. In June 2008, he received 2nd Place honors for the women's soccer media guide, the highest honor received by himself or Doane through the NAIA-SIDA contests. In 2009, he received 2nd Place in CoSIDA's Special Events publication for the volleyball post-season game program.

However, the work that is done could not be completely accomplished without several student workers who also help out with game days and office work. These students are responsible for helping with statistics, running game clocks and setup for games. Their time and commitment is greatly appreciated.

Students working for the sports information office in 2009-10 are: Betsy Anderjaska, Cheryl Braithwait, Mindy Dymacek, Stephanie Gade, Calicia Hergott, Kayla Hochstein, Brittany Luettel, Brittany Lurz, Jamie Jensen, Morgan Dubas, Jennifer Liddell, Lisa Lord, Megan Meduna, Cassie Reicks and Kayleen Stanek.

ABOUT THE GPAC

The Great Plains Athletic Conference (GPAC) is an affiliated conference of the National Association of Intercollegiate Athletics (NAIA), consisting of 13 private, faith-based colleges and universities in Nebraska, Iowa and South Dakota.

Originally founded in 1969 as the Nebraska Intercollegiate Athletic Conference (NIAC), the league retains all six of its charter members - Concordia, Dana, Doane, Hastings, Midland Lutheran and Nebraska Wesleyan. In 1992, the NIAC added Northwestern and became the Nebraska-Iowa Athletic Conference. Eight years later, Dakota Wesleyan, Dordt, Mount Marty and Sioux Falls joined the conference which became the Great Plains Athletic Conference (GPAC) in 2000-2001. Briar Cliff entered the league in 2002-2003 and Morningside became the 13th member a year later. Both schools are in Sioux City, Iowa.

Beginning with the 2005-2006 school year, the GPAC started awarding the Christopherson All-Academic Award. The award is a traveling trophy to be presented annually to the GPAC institution with the best academic performance by its student-athletes in all sports. The GPAC has also boasted more than 400 scholar-athletes each of the last two years.

The GPAC has 16 NAIA National Champions...

In 2000-2001 the Northwestern women and men won NAIA Division II National Basketball Championships, while the Doane women shared the outdoor NAIA Track and Field title. 2001-2002 brought two NAIA titles to our league. The Hastings women won the NAIA Division II National Basketball title, while Doane's women won the NAIA Outdoor Track and Field Championship outright. In 2002-2003 the GPAC won two more National Championships with the Hastings women repeating as NAIA Division II National Basketball Champions, and the Northwestern men winning the NAIA Division II crown for the second time in three years. The Morningside women's basketball teams won the 2004 and 2005 titles in front of the hometown Sioux City fans at the Tyson Events Center. In 2006 the Hastings women's basketball team won their third basketball title in five years. The GPAC won six straight NAIA Division II Women's Basketball National Championships from 2001 to 2006. Also, in 2006 Dana College claimed the NAIA National Wrestling Championship, while the Nebraska Wesleyan's men's golf team won the NCAA III National Title. In the fall of 2006 when Sioux Falls won the Football National Championship in Savannah, Tennessee. The Northwestern women's basketball team capped a 35-2 season in winning the 2008 NAIA Division II National Championship. The University of Sioux Falls won their second NAIA Football Title by claiming the 2008 National Championship. In March of 2009 the Morningside Women's Basketball team capped a perfect 38-0 season by claiming the NAIA Division II Women's Basketball Championship. The title game was an All-GPAC matchup as Hastings claimed Runner-Up honors. The GPAC has now won eight of the last nine NAIA Division II Women's Basketball Championships! The University of Sioux Falls added to their football run, taking the 2009 Football National Championship once again.

Corey Westra of Sioux City, Iowa, is the GPAC Commissioner and Information Director.

ABOUT THE NAIA

The **National Association of Intercollegiate Athletics (NAIA)** is a governing body for athletic programs at its nearly 300 colleges and universities throughout the United States and Canada. The long-held mission of the NAIA is to promote the education and development of students through intercollegiate athletics participation.

Founded in 1937, the NAIA is a leader in the development of student-athletes and continues to be a pioneer in implementing exceptional standards for academics, diversity and character. Those standards are evident not only on the campuses of our member institutions, but in the competitive fields of our 23 national championships.

Today, the NAIA strengthens its commitment to student-athletes and strives to enrich their college experience by supporting academic achievement and character development. NAIA Champions of Character is an innovative outreach program designed to instill character values in student-athletes, coaches and youth in the communities we serve.

ABOUT THE NAIA STUDENTS

A supportive environment can lead to success

When you choose to attend one of nearly 300 NAIA member colleges or universities throughout the United States and Canada, you are welcomed into a supportive environment of students and faculty that are likely to become lifelong friends. Small classes and closer student-faculty interaction make it easy to form strong friendships with classmates and faculty, which could have a great impact on your success and career preparation.

Big opportunities are on smaller campuses

With smaller campus communities, there are more opportunities for students to participate in activities. There are greater possibilities for students to experience leadership roles in student organizations, academics and intramural and intercollegiate athletics. The NAIA offers 23 championships in 13 sports and more than 90 percent of NAIA schools offer athletic scholarships.

You'll enjoy life outside the classroom with the variety of activities, athletic events and religious services found at NAIA schools. Learn more about the advantages of attending an NAIA member institution.

PRESEASON OUTLOOK

The 2010 track and field program knows that the pressure is on to keep the run of victories going in the Great Plains Athletic Conference and Head Coach Ed Fye and his staff will do everything they can to prepare the Tiger teams for another run. Each GPAC team continues to go after the Tigers but in each of the past two years, Doane has fought back the competition to win the men's and women's indoor and outdoor championships. For the women, it was a decade of dominance, winning every conference crown available from 2000-09. The men came on strong over the past three years to win five of the last six overall titles.

On the women's side, the Tigers will feature returning All-Americans Katie Bartels and DeeJay Silcott. Bartels won the national title at indoors in the high jump. Silcott was a top finisher in the sprints during the indoor and outdoor seasons.

Doane returns several athletes who earned All-GPAC honors by scoring at the conference meet. Earning All-GPAC honors during both seasons were Viviana Arreola, Bartels, Whitney Collins, Cami Hasenohr, Sarah Hinman, Kelsee Meisner, Leah Petersen, Yadira Salazar, Silcott, Janelle Weber and Amanda Woodward.

Also returning after earning All-GPAC honors in either the indoor or outdoor seasons were Mikayla Baumert, Sara Bloom, Mary Kouma, Natalie Kramer, Lisa Lord, Kayti Mark, Abby McCloskey and Michelle Ortmeier.

The women are in search of their 20th straight indoor crown and 20th outdoor crown in 21 years.

On the men's side, Doane returns four All-Americans. Virgil Mitchell won the 60m hurdles during the indoor season and also placed in the 200m dash. He picked up honors during outdoors in the 400m hurdles. Jared Schuurmans picked up honors in the shot put for indoors and outdoors as well as the discus for outdoors. Adam Bosley and Ben McCaleb were members of the 4x100m relay team during outdoors.

Returning All-GPAC performers from indoors and outdoors are Bosley, Jamil Chehade, Justin Cox, Jake Eckhardt, Omar Fernandez, Paul Garcia, Devin Johnson, Sufian Kalil, Vince Martinez, McCaleb, Tyler Milligan, Mitchell, Schuurmans, Nate Teten and Alvin Voss.

Earning honors in one of the seasons were Jacob Clouse, Laith Etmund, Brett Jorgensen, Scott Ohlson, Jens Scholl, Whit Thomas and Trenton Volkmer.

The men will be looking for their fourth straight men's indoor crown and third straight outdoor crown.

The 2010 GPAC Championships will be held in Lincoln for the indoor season and in Hastings during the outdoor season.

Doane will host three regular-season meets during indoors, the Ward Haylett Invite, Doane Field Plus Meet and the Scott Nisely Memorial Classic. The Tigers will also host the first day of the GPAC Multi-Events, the first time that multi-events are part of the conference championship. During outdoors, Doane will host three meets as well. They will hold the annual Doane versus Nebraska Wesleyan Dual, the Doane Relays and the NAIA Last Chance Meet in May.

RECAP & RECORDS

DEEJAY SILCOTT

2009 SEASON RECAPS

INDOOR TRACK & FIELD

The Tiger track and field teams put together strong showings each week as they built up towards the GPAC Championships held in Lincoln. Along the way, records were broken and national meet qualifying marks were set but the final destination was for a GPAC championship trophy.

When the final points were tallied at the championship meet, the Tiger men and women came away with their third consecutive sweep of the meet. The men topped second place Concordia, 186 to 138 and the women were ahead of Concordia, 183.50 to 123. The women's victory marked the 19th straight win of the conference crown.

At the NAIA National Meet held in Johnson City, Tenn., two Tiger individuals came away with championships. Katie Bartels won the high jump in a jump off with teammate Gretchen Clark and a fellow competitor. The winning height was 5-07. Virgil Mitchell won the 60m hurdles with a NAIA meet record time of 7.93 seconds.

Both teams placed 10th at the meet and seven athletes came home with All-American honors in nine events. Mitchell placed third in the 200m dash while Jared Schuurmans finished third in the shot put and Ross Smithey was fifth in the heptathlon. In addition to Bartels and Clark, DeeJay Silcott placed fifth in the 60m dash and sixth in the 200m dash while Jallan Holmes was fifth in the 60m hurdles.

OUTDOOR TRACK & FIELD

The Tigers claimed the GPAC Outdoor Championship meet on both the men's and women's sides, extending their reign on the conference title. Doane has won the last eight championship crowns, indoors and outdoors combined. The men's race was a runaway for the Tigers, topping second place Concordia, 207.50 to 154. The women's championship was extremely close as Concordia came within 12 points of the Tigers, 167 to 155.

As the season went along, Jared Schuurmans kept everyone's attention with his performance in the discus. Schuurmans reset the discus record on four different occasions during the season, finishing with a best of 190-04 at the NAIA Last Chance Meet in Seward.

Virgil Mitchell also had a strong outdoor season as he claimed GPAC Athlete-of-the-Year honors after winning the 110m and 400m hurdles at the conference meet. He broke the Doane 400m hurdles record at the NAIA National Meet.

At the national meet, the men placed 8th while the women finished 18th. Fifteen individuals earned NAIA All-American honors: Jared Schuurmans (shot put & discus), Maurice Smith (long jump), Ross Smithey (decathlon), D'Artagnan Dai'Re (100m), Virgil Mitchell (400m hurdles), Sufian Kimo (5000m), men's 4x100m relay (Dai'Re, Adam Bosley, Kedrick Kelley, Ben McCaleb), men's 4x400m relay (Jacob Kreikemeier, Vince Martinez, Bosley, Mitchell), DeeJay Silcott (100m), Jallan Holmes (100m hurdles), Gretchen Clark (high jump) and Abby Schlueter (triple jump).

Eleven Tigers were named NAIA Scholar-Athletes: Brett Cribelli, Jake Eckhardt, Tyler Jackman, Philip Rohde, Katie Bartels, Haley Bergstrom, Regan Carlstrom, Alex Conrin, Mary Kouma, Abby Schlueter, Janelle Weber and Carly Weisgerber.

SCHUURMANS AT USATF

Jared Schuurmans was able to receive the experience of a lifetime when he participated in the USA Track & Field Championships in Eugene, Oregon, on the evening of June 26. For Schuurmans, a native of Norfolk, Nebraska, he said it was a great learning experience for himself despite not hitting a mark he was hoping for.

Schuurmans finished in 19th place out of 24 athletes after collecting a toss of 56.58m (185-07). Olympian Casey Malone won the event with a throw of 64.99m (213-03).

“I was happy to get out there and have a chance to throw,” Schuurmans says of his opportunity. “It was great to be there and I learned a lot about the other throwers.”

Schuurmans arrived on Monday, June 22, in Portland and participated in the Pre-National Meet the following day hosted by Mac Wilkins, a gold medalist for the United States in the 1976 Olympics. He posted a throw of 55.81m (183-01) to win his age division.

“Friday I was better prepared than I was on Tuesday. The competition was better on Friday; there is no doubt about that because they are world class athletes. On Tuesday I was still fighting off jetlag and trying to get my feet under me.”

While at the championship meet, Schuurmans had the opportunity to chat with several of the athletes and even pick up a few tips.

“One of the guys I talked with back in the athlete’s area was Ryan Whiting (from Arizona State). He had been here before and just gave me a few pointers leading into the time I stepped into the ring. We talked some about warm-ups and practice stuff.”

Schuurmans said he felt a little lost when he stepped out to the track. He wasn’t sure where he was supposed to go but he got a little guidance from a pretty good athlete.

“Jarred Rome helped me get to where I needed to be. We didn’t really talk about much but he helped me get to where I needed to be and that helped ease a little of the anxiety that I had. It was cool to have a guy like that help out.”

Rome, a former Olympian, placed second in the meet with a throw of 63.48m (208-03).

The remainder of the summer, Schuurmans rededicated himself for his senior year. It’s not that he hasn’t been dedicated but there is an extra energy deep down in his gut.

“I’m re-energized now to get going for next year. Training will be key for me. My goal is to hit it hard in the weight room and continue to work on my technique and preparation. I learned a lot from this opportunity and now I have to use everything I learned and incorporate it in my training.”
