

2016-2017 Verification Worksheet Federal Student Aid Programs

Your FAFSA was selected by the Department of Education for a process called "Verification." The law says we must ask you for this information before disbursing Federal Aid. If there are differences between your application information and your financial documents, Doane will need to make corrections electronically.

What you need to do:

1. Collect your (and your spouse's) required financial documents.
2. Return the completed worksheet and other documents Doane requests to the Financial Aid Office.
3. Contact the Financial Aid Office if you have questions about completing this worksheet.
