Liberal Arts Studies

Program Overview
This degree program is specifically designed for nontraditional students seeking a bachelor’s degree for career advancement and personal growth. It allows students who have completed an associate’s degree to earn their bachelor’s degree in a timely manner. The program of study provides a curriculum focusing on the development of critical and analytical skills, oral and written communication skills, and a strong liberal arts component to balance the technical knowledge acquired through the associate’s degree.

This degree program is composed of the following:
1. Required Curriculum = 63 credits
2. Electives = 60 credits that are not applicable to the required curriculum component.
