

EARN YOUR SHIELD in only **three years!**

Traditional Four-Year Degree Cost Example

\$148,560	Direct Costs and Fees*
- \$55,404	Average Institutional Discount (Doane scholarships/grants for four years)
<hr/>	
\$93,156	Average cost

Accelerated Three-Year Degree Cost Example

\$114,804	Direct Costs and Fees* (including summer courses)
- \$41,553	Average Institutional Discount (Doane scholarships/grants for three years)
<hr/>	
\$73,251	Average cost
\$19,905	Potential savings
+ \$45,711	Early graduation, extra year of income*
<hr/>	

\$65,616 Three-year advantage

* Tuition, room and board is estimated based on costs for the 2015–16 school year. Summer courses do not assume room and board. Average Doane scholarships/grants are based on average institutional aid only and does not include work programs or federal, state or private grants/loans. Extra year of income was calculated using the average of the mean starting salary for graduates with degrees in Computer and Information Sciences, Liberal Arts and Sciences, Social Sciences, English and History in the National Association of Colleges and Employers Fall 2015 Salary Survey.

A Doane degree includes:

- 21 credits of foundational areas of knowledge
- 9 credits of liberal arts
- 3 credits of experiential studies
- 31-36 credits in your major
- 54-59 elective credits
- Total: 123 credits for graduation

Eligibility and acceptance to the 3-Year Graduation Program are based on GPA, SAT/ACT scores and credits earned prior to enrollment.
