

Tiger Bucks Enrollment Form

- Faculty and Staff will be able to make deposits in their dining account by stopping by the Sodexo back office (in the Dining Hall) and contacting a member of management. We request that deposits be made at least 24hrs in advance of usage; the cashier will issue a \$10 low balance warning to customer. Accepted forms of payment are cash and checks made out to, "Sodexo". Sorry, no credit or debit cards can be accepted.

- The following incentives exist for those faculty/ staff members enrolled, and using the *Tiger Bucks* program to make a purchase:
 - In the dining hall, for every nine meals purchased, the tenth will be free. There will be incentive cards that will be punched at the door. Sodexo will keep the cards at the front cashier stand in a box so that when employees come through the line, the card is available.
 - In the OBC Grill and Lakeside Coffeehouse, a 10% discount will be given.

- The program will run year round (including summers).
- Monthly Account Statements will be mailed the first full week of the month if requested.
- Family members are always welcome, but will be charged the regular guest price for the meal in the dining hall. The participating faculty/ staff member will receive a punch on their incentive card for all meals purchased, including guest meals.
- The 10% discount will also be effective for faculty/ staff purchasing food/ meals for guests in the Lakeside Coffeehouse or OBC Grill when using their *Tiger Bucks* account.
- Requests for refunds will only be granted in extenuating circumstances as confirmed and verified by the Doane University Department of Human Resources.
- This program does not extend to catered meals.
