The Flags

The international flags that decorate today's ceremony area represent the countries of origin of this year's graduates.

The Mace

Representing the authority bestowed upon the president by the Board of Trustees, the mace features a bronze of the college seal atop a four-foot sculpted piece of walnut. The mace is carried by Alec J. Engebretson, Ph.D., Professor of Computing, and signifies the official opening and closing of the ceremony.

Marshals

Marshals lead the processional and recessional, and direct the logistics of the ceremony. Faculty Marshals are Timothy G. Hill, Ph.D., Professor of Political Science, and Bradley A. Johnson, Ph.D., Professor of English. Junior Marshals are members of Omicron Omicron Delta Kappa, a national honor society, and include Abrey M. Bliven, Lincoln, NE; Alison M. Bradford, Gering, NE; Keely E. Lightle, Gretna, NE; Payton M. Morgan, Bennington, NE; Laci R. Reinke, Lincoln, NE

Photography and Videography

As a Spring Commencement graduate or guest, you consent to your voice, name and/or likeness being used, without compensation, by the Doane University Office of Strategic Marketing in any and all media to promote the university, whether now known or hereafter devised, and you release Doane University from liability of any nature whatsoever.

*Photography will be provided by Doane's Office of Strategic Marketing, and images may be downloaded free of charge.
A gallery link will be emailed to each graduate's Doane email address.*

Honor Cords

Medallions are worn by students graduating from the Honors Program, and National Honor Society memberships are signified by colored honor cords:

Doane University Banner

The Doane University banner bears the seal created by Thomas Doane, Esq. and David Brainerd Perry, the first president of the college. The woman (science) trims the lamp of knowledge to light the book (Bible).

The star and cross are Christian symbols indicating Doane's congregational heritage. Science faces west to signify westward movement of learning. The triangle denotes strength through three aspects of life: spiritual, physical, and intellectual.

Hoods & Gowns

In academia, different styles of gowns, hoods and colors reveal significant academic achievements among students and distinguish degree levels.

The bachelor's gown has long, pointed sleeves. The master's gown has crescent-shaped sleeves descending from the elbows. The doctor's robe has very full sleeves with three horizontal bars of velvet on each sleeve and two vertical velvet bars down the middle of the front.

Hoods are the most significant conveyors of degree identification. The master's hood is pointed, and the doctor's hood is rounded at the bottom. The hoods have velvet borders and are lined in silk or satin in the official color of the institution that conferred the degree. The color of the velvet border represents the discipline.

The Doane Hymn

A hymn of praise we lift to Thee, O God, whom we re-vere. For
5 build on Christ" this mot-to blest, En-graved on Mer-rill's stone, is
Doane, Thy ho-ly gift to us our Al-ma Ma-ter dear. Her walls are fitt-ing
10 writ - ten, too, in ev-ery heart that loy-al beats for Doane. Keep our soul vis-ion,
mon - u-ments to those who reared them there. And strong lives nur-tured
then, O Christ, For aye un-dimmed and free, that we may ho - nor
14 in her halls be - speak their an - swered prayer. "We Thee.
God and Doane by build - ing still on _____

The Doane Hymn is a commencement ceremony tradition. Written by Lucy Fiske Medlar, a congregational school teacher and wife of Doane graduate Arthur Medlar (1906), the lyrics express her reflections following a visit to the campus. A 1921 Doane Owl article echoes a line of the hymn, "Her walls are fitting monuments of those that reared them there," recognizing that "those of the past have certainly left their imprint." May our graduates today feel the imprint they leave behind, as they go forth from these walls and grounds.

About Doane University

Founded in 1872 in Crete, Doane University is Nebraska's first and oldest private liberal arts and sciences college. Each year, more than 1,000 undergraduate students from around the nation and world are enrolled at Doane's residential Crete campus, which offers 34 majors and 54 minors/certificates.

Doane's non-residential programs in Lincoln, Omaha, and online provide a learning environment for adult students. The Lincoln campus was established in 1981, and the Omaha location in 2014. There are 7 undergraduate degrees, 13 minors/certificates, and 9 graduate degrees available.

Doane's mission is to create distinctive educational experiences, immersed in the liberal arts, to prepare our students for careers and lives grounded in inquiry, ethics, and a commitment to lead and serve in the global community.

Many of today's graduates were recipients of scholarships made possible by the Doane Fund. Graduates who made a gift signifying their class year (\$20.26 or more) are wearing orange philanthropy cords today. Please consider supporting our current and future Tigers by making a gift to the Doane Fund today.
