Hi Tim,

Yes, I'd be happy to share those. Here are some emails I have shared to invite them to COE Connect as well as individual meetings with me:

### COE Connect

Happy April!

I hope you are all doing well! Can you believe we are approaching the end of your first year of teaching?!?!

I wanted to send out an invite to next week's COE Connect. We will be meeting on Zoom Wednesday, April 10 from 6:30-7:30. I will be attending along with some other COE faculty! We would love to see you and have you share some insights into the first year with our future teachers!

Here is the Zoom link if you are able to join: <https://doane.zoom.us/j/91437935271>

Have a wonderful weekend and hope to see some of you next week!

Take care!

Thanks,

### Individual Meeting

Hi Everyone,

I hope you are all doing well! You have made it through semester one! Hope you were able to enjoy a wonderful holiday season and some extra snow days to start the new year. I just wanted to reach out and check in with you all to see how you have been. I am looking to schedule a Zoom meeting if any of you would be interested in visiting. Here is a [link](#) to check some days/times that you might have available. I know you have busy schedules, but I miss your smiling faces so hoping we can make something work.

Take care and look forward to hearing from you!

Thanks!

Trina

### First Year Teacher Panel

Hello Beginning Teacher Students from Summer 2023! We hope you all had a great first year of teaching!

We are reaching out to you to ask you to participate in our First Year Teacher Panel on Thursday, June 27 from 3:00 to 4:30. If you remember, it was so fun for you all to see your old friends and also hear their advice and stories from their first year at their school.

From 4:45-6:00 p.m., we will provide appetizers for you at Cristina's as appreciation for driving out to Crete.

Please text your Doane classmates from last summer to make sure that they are seeing this invitation, and please respond to this email if you can attend.

We are also looking to share some exemplar assignments with students from last year. Please let us know if you are not comfortable with us sharing your work or feel free to remove access for us if you would prefer us not to share yours.

We look forward to hearing from you!

Thanks,

This year for first year teachers I took the first semester and visited each of them in their schools. I don't have an email for that as I just text them individually, but I could share a screenshot of a text that was sent if that would be helpful. I will then connect with them in January on Zoom - I will be sending an invite tomorrow so I can bcc you on that so you have it as well.

Jill and I are also going to be planning a gathering for our Fast Track Finishers from this past semester in January. I can send you a copy of the email invite for that, too - hoping to get that out tomorrow, too.

If there is anything else I think of, I'll be sure to pass it along. Or if there is anything else that you might think of, please let me know. Happy to help!

Thanks so much!

Trina
