Re: Nomination for Doane Education Program Vision Improvement Partner

Dear Perla,

The Doane University Teacher Education program has nominated you to be a Vision Improvement Partner (VIP). You were nominated because of your expertise and experience in the field of P-12 education, and because we believe the work you do resonates with our mission to *Learn. Challenge. Empower. Transform.* Vision Improvement Partners are a select group of educational experts who meet twice per academic year to provide input, feedback, and support the continuous improvement of the Doane Teacher Education programs. Below is information about the commitment and benefits of being a VIP.

**Commitment:**

- Participate in two 2-hour meetings per academic year; 1 in Crete and 1 in Lincoln each year;
- Dates for the 2023-24 meetings are set for November 2 (Crete) and April 11 (Lincoln) from 5-7:00 p.m.
- Provide honest field-based feedback on programs and program data
- Look over materials and data provided in advance of meetings
- Commit for two years 2023-24 and 2024-25

**Benefits:**

- Help shape and support the Doane teacher education program
- \$200 stipend per meeting
- Mileage reimbursed to meeting location

We believe you would be a valuable contributor to this important advisory partner group and hope you will consider accepting this nomination. I would love to hear from you by October 16. Questions and replies can be emailed to me at [timothy.frey@doane.edu](mailto:timothy.frey@doane.edu). Thank you for your support of Doane University's College of Education.
