Mission and Belief Statements

The College of Education of Doane University is a community that pursues and celebrates excellence. In this pursuit:

- We foster a vibrant intellectual community that values learning, collaboration curiosity, inquiry, and scholarship
- We create connections and meaningful relationships
- We cultivate a culture where all individuals are affirmed, challenged, and empowered
- We advocate for diversity, equity, and service through the support of socially just policies and practices
- We promote the process of development and honor the journey that is individually and systematically transformative

CAEP Standard R2.2

R2.2 Partners co-select, prepare, evaluate, and support high-quality clinical educators, both provider- and school-based, who demonstrate a positive impact on candidates' development and diverse P-12 student learning and development.

VIP Goal - 2023-2025

- Over the course of the 4 meetings discuss current Doane practices in this area and identify areas for improvement.
- Develop and implement strategies to address and areas for improvement.
- Report back to VIP group on initial implementation of strategies.

Summary from Fall VIP Meeting

Positives:

CT/Supervisor pre-student teaching meetings/dinners

Task: identify consistent required key components included in all meetings for all programs

Areas for Improvement/Ideas:

Have ST share teacher identity development strengths/weaknesses right away with goals.

Task: Create consistent process for above

Task: Create/update "training" for Doane specific assessments like teacher identity and ensure completion by CTs and supervisors
